Description

Our Body Firming Massage Oil is made with toning and firming Essential Oils including Geranium and Juniper. You might like to apply it using the Lymphatic drainage technique: Massage into the appropriate area then leave to soak into the skin. Massage the area with a wooden cellulite brush under alternating shower water temperatures between warm and cold for 5 minutes. This product is designed to be used as part of a dietary and fitness regime to combat cellulite. It is unlikely to make your cellulite disappear on it's own. Beware any anti cellulite cream or product that promise magical results! A 4% blend of pure essential oils in Sweet Almond Oil. Specially blended by Amphora Aromatics - you won't find this formulation anywhere else!
