Description

A soothing and sensuous blend containing pure essential oils such as Lavender, Orange, Ylang Ylang and Geranium. Fragrance your home with with gorgeous blend to help fill the air with soothing scents to help you relax and unwind after a long day. Perfect for any room at home or in the office. The delicious aroma of pure essential oils will fill the room and because there's no flame or anything to plug in, they are both extremely safe and easy to use. The natural reeds draw the special blends upwards and then disperse the gorgeous scent into the air.

Vegan Friendly
